### Parish Nursing LISTENING SKILLS COURSE (ACORN Christian healing Foundation)

Would you like to know more about how to listen to others? Several courses are planned for this Autumn and we would encourage those who are Pastoral Visitors, Ministry team or even any member of Sheldon Road fellowship who would like to know more about how to effectively listen to others to attend these courses.

The course will consist of 3 weekly sessions. Forms are available in the pigeon hole box—see any steward.

Dear Friends,

Thank you so much for taking part in GOAT FOR IT! At Christian Aid we are really grateful when people fundraise for our projects.

You raised £1244.26! Well done!!

The money you have raised will be used to support a range of projects, such as providing help to poor farmers, giving people clean water and educating people about diseases such as malaria and HIV. It means that life can continue to get better for people like Mywendi Hotti and Gertrude Bukuru, who you first read about in GOAT FOR IT.

We hope you had fun fundraising using GOAT FOR IT. We now have a new pack called Flush! which is all about water and toilets. The pack includes stories from Senegal, Afghanistan and El Salvador, a giant poster and lots of ideas for fundraising activities. Order a free pack by emailing [orders@christianaid.org](mailto:orders@christianaid.org) or by calling 08700 78 77 88.

And don't forget, we'd love to hear about your fundraising events and see any photos. Please contact us via [schools@christianaid.org](mailto:schools@christianaid.org) or write to Education Manager, Christian Aid, PO Box 100, London SE1 7RT.

Thanks once again for helping Christian Aid tackle poverty!
